**Back attachments**

... serve to raise the sofas and elements, for spatial-acoustic separation and create lounge niches. They are available in 2 heights. See type plan.

Pillow sets

The cushion sets can be ordered to match the sofas and elements for even more seating comfort. See element overview.

Electrical supply

The electrical units EUS and EB1 can be ordered additionally as an extension to the furniture for power supply and USB connections. See ordering instructions.

„Flame retardant“

Optionally, the „flame-retardant“ version of this model can be ordered (art. no. = BK ..). **Please specify when ordering.**

Diner combination

Provides visual and acoustic privacy for up to 6 people. Inside is a workspace with 2 upholstered seats - optionally with table.

ORDER INFORMATION**Electrical unit:**

The electrical unit is equipped with USB connection and power supply. The USB output is 1x 5V/ 1A and 1x 5V/2,1A - sufficient to charge all common devices, including tablet PC. In front of the left is the socket (220V), on the right is the USB unit with 2 connectors. The electrical unit can be integrated at the bottom of the seat frame for each item. **For the articles PB and PBH as well as the articles MT90R and MT90L, a permanently integrated electrical unit EUS with power supply and USB con-**

nection is offered, which can be ordered additionally in each case for an extra charge. See article overview - Accessories.

Back sides of sofas:

All pieces are genuinely upholstered at the back.

Seam appearance:

Decorative, felled or double seams may appear different in fabric and leather versions. For manufacturing reasons, seams may be left out of the fabric version or replaced with simple seams.

All of the dimensions given are approximate dimensions in cm in width/depth/height/seat height. We reserve the right to make changes. Measurements are shown without cushions and pillows.

Seat depth: approx. **71 cm**

Seat depth incl. back cushions: approx. **52 cm**

Loose cushions:

The back cushions are loose and must be ordered separately for the perfect seating comfort.

Crease formation:

Fabric and leather stretch during use, „creases“

may form in the cover. This has no influence on use, function and service life and does not constitute a material defect.

Combined covers:

This model is also available in a combination of different cover qualities and colours. For combination see price list.

Price 1: Carcase parts

Price 2: Seat cushions

Table top versions:

The table tops T 150, T 200 and on the articles

MT 90R/L consist of multiplex boards. These are coated or veneered on the top and underside. The version must be specified:

EI - oak clear veneer

PW - white veneer

PS - black veneer.

Digital fabric/leather and colour samples:

The visual appearance of the covers and colour samples may vary, samples in accordance - colour and structure deviations possible.

UPHOLSTERED FURNITURE QUALITY

Upholstered furniture from passion.

For almost 75 years, this passion has led to the creation of high-quality and special pieces of furniture and designer furniture - sofas that combine elegant and contemporary design with first-class comfort. We stand for craftsmanship, trend-setting ideas, appealing design and know-how from Germany. The result is upholstered furniture with guaranteed first-class comfort and attention to detail. When selecting the materials used, we pay attention to sustainability and the conservation of resources.

- Traditional craftsmanship down to the last detail
- High-quality, environmentally friendly materials
- Careful & precise workmanship
- Cooperation with renowned furniture designers
- Production according to DIN & RAL quality guidelines of the Deutsche Gütegemeinschaft Möbel e.V.
- Regularly tested product quality „Made in Germany“
- Development at the Upper Franconian location in Ebersdorf near Coburg
- Carefully selected fabric and leather cover collections in many colours for a wide range of requirements.
