

impériale

40452

Elegant option.

impériale 40452 has two seat heights to be chosen. An elegant tubular runner and the narrow base result in a perfect shape. You can also choose between the firm basic seating comfort or seating comfort lounge and opt for the lounge niches with the choice of high back versions. Design: W.SCHILLIG

ARMPART VERSIONS

2 seat comforts

Basic/ Lounge (surcharge, art. no. = LK...). Lounge comfort with elastic memory foam that adapts to every position and contour of the spine.

Highback version

The highback version raises sofas and armchairs to create a spatial-acoustic separation. It creates lounge niches.

Leg and seat heights

The model is available in different seat heights according to the different leg heights. The leg version has to be indicated.

„Flame retardant“

Optionally, the „flame-retardant“ version of this model can be ordered (art. no. = BK ..). **Please specify when ordering.**

Combined covers

This model can also be supplied in combined cover qualities and cover colours. See order information and image.

ORDER INFORMATION

Combined covers:

This model can also be supplied in a combination of different cover qualities. This is shown at the image and at the price list.

Price 1: Body (narrow ramp at the bottom, side and side panel handrail - frame)

Price 2: Seat/back/side armrest cushion as well as back body inside and outside

Combined covers within the armrest shapes:

Price 1: Carcase (outer wall)

Price 2: Cushion (armrest cushion)

Upholstery structure:

The model is available in two different seating comfort implementations - Basic and Lounge

(item no. LK..., for surcharge). Basic is for comfortable and firm seating, Lounge with memory foam is characterised by the padding of a highly elastic foam or first-class point-elasticity and stands for the support of a healthy spinal column position when sitting.

Please indicate the desired comfort with your order!

Flexible headrest according to seat width:

The flexible headrests with ratchet joint (U..K) can be inserted between the back body and the back cushion according to the seat width.

Table top versions:

The table tops are available in different finishes: real wood oiled oak, black or white.

Loose cushions:

There are loose seat and back cushions with this model (except ottomans).

Back sides of sofas:

All pieces are genuinely upholstered at the back.

Seam appearance:

Decorative, felled or double seams may appear different in fabric and leather versions. For manufacturing reasons, seams may be left out of the fabric version or replaced with simple seams.

All of the dimensions given are approximate dimensions in cm in width/depth/height/seat height. We reserve the right to make changes.

Loose seat and back cushions:

Due to loose seat and back cushions measures may vary. Measures were taken with oriented seat and back cushions.

Seat depth: approx. **58 cm**

Model-related feature:

The upholstery is deliberately processed casually to create a certain visual appearance. Waving is not a quality defect, but a model-related feature that ensures optimum seating comfort.

Note on upholstery construction:

Ticking cushions have been used in the back. These may show under the cover. This is a typical feature of the product.

Contrasting thread:

This model is available in leather and some fab-

ric colours with contrasting colour thread at no extra charge. You will find the specified colours in our fabric/leather trolley. Please state the no., otherwise tone-in-tone will be delivered.

Please note:

Special designs may be made on some elements in return for an extra charge. Please consult us. We are happy to make your dreams come true.

Digital fabric/leather and colour samples:

The visual appearance of the covers and colour samples may vary, samples in accordance - colour and structure deviations possible.
