

[prêt-à-porter]

Elegant, extravagant, en vogue - an upper-class sofa. The focus here is clearly on the special arm shape, which is highlighted by the distinct tuck. The overall impression is perfected by the metal legs, which are available in different metallic colours. This model is also optionally available in a "flame-retardant" version.

Design: Jan Armgardt

**“Flame retardant”**

Optionally, the “flame-retardant” version of this model can be ordered (art. no. = BK ..). Please specify when ordering.

**Simply nice**

The striking tuck at the armparts provides a unique appearance.

**Metal colours for legs**

Some legs can be ordered in silver or black-coloured. Please indicate when ordering.

**Contrasting thread**

In some leather colours this model can be supplied with a contrasting-coloured thread, at no surcharge.

**Order information****Back sides of sofas:**

All pieces are genuinely upholstered at the back.

**Seam appearance:**

Decorative, felled or double seams may appear different in fabric and leather versions. For manufacturing reasons, seams may be left out of the fabric version or replaced with simple seams.

**Contrasting thread:**

In some leather colours, this model can be supplied with a contrasting coloured thread, at no surcharge. Please always specify the contrasting thread number or tonal colours will be supplied.

**The contrast thread is available for the armrest at the front and at the back, only.**

**All of the dimensions given are approximate dimensions in cm. We reserve the right to make changes. Dimensions are given as follows: width/depth/height/seat height.**

Seat depth: approx. **54 cm**

Seat depth one arm chaise: ca. **120 cm**

**Information on the upholstery structure:**

Chamber cushions filled with a high-quality mix of polyester fibres and foam rods have been used in the back of this model. This can lead to depression of the individual chambers, which is a typical product characteristic.

**Especially loose-fitting upholstery:**

The upholstery of this model has intentionally been made especially loose to create a certain visual effect. The especially loose-fitting upholstery is characterized by an extremely soft surface. When being delivered, the cover shows a distinctive wave formation, which design- and constructionwise is being desired and can get more by usage. It is not a quality defect but a model-specific characteristic.

**Please note:**

**Special designs may be made on some elements in return for an extra charge. Please consult us. We are happy to make your dreams come true.**

**Order checklist**

- Structure and cover
- Flame retardant version (surcharge)
- Leg design
- Metal colour for legs
- Ottomans
- Contrasting thread

## Upholstered furniture frame structure

1. **Frame** – Beech wood structure
2. **Seat suspension** with permanently elastic wave springs
3. **Seat upholstery structure** – spring core with diolen cover incorporated into ergo-PUR-foam
4. **Back suspension** due to upholstery strap
5. **Back upholstery structure** of high-quality mix of polyester fibres and foam sticks, filled in cushion boxes

### Upholstered furniture made with passion.

Your model is the product of German design and engineering. The family-owned company W.SCHILLIG has more than 70 years' experience of technical skill, trend-setting ideas, attractive design and know-how from Germany. The result is upholstered furniture that guarantees first class comfort and attention to detail. We keep sustainability and protection of resources in mind when choosing the materials we use.

The RAL quality mark for furniture stands for the certain knowledge that this is a non-hazardous piece of furniture of reliably high quality and with an attractive design. The Deutsche Gütegemeinschaft Möbel makes sure of this with numerous tests. Inspections also safeguard the testing system.

The highest European accolade for systematic, in-house, environmental management. Improvement of environmental protection services.

## Legs

metal leg, diff. metal col.

F J3

metal leg, diff. metal col.

F S1

### Metal colours:

All legs are available in different metal colours. Please indicate when ordering.

### Powder coated:

The colours silver M21 and black M99 are powder coated.

### Legs and floor protection:

In case of very slender furniture legs with deliberately filigree shapes and with small surfaces, it comes to a raised pressure on the floor. We recommend felt pads or another suitable mat as protection for scratches and pressure points in connection with sensitive and/or soft floors. Even if you barely move the furniture, it can be helpful to have a carpeted floor.
