**Side panels for aesthetics**

Determine the design of your side panel appearance.

With the smooth side board in fabric or leather or with the board covered with an elegant deep-drawn rhombic look in leather. See order information.

**Filigree metal leg**

The noble hairpin metal leg is powder-coated in black.

**Flexible plug-in headrest**

The headrest U 92 with joint can be inserted into the opening between the back body and the back cushions individually.

**“Flame retardant”**

Optionally, the “flame-retardant” version of this model can be ordered (art. no. = BK ..). Please specify when ordering.

**Metal colours for legs**

Some legs can be ordered in silver or black-coloured. Please indicate when ordering.

**Order information****Villeroy&Boch Carré:**

The term “Carré” refers to the famous original tile design of Villeroy&Boch, which consists of a rhomus arrangement. With this model it can be found in the armpart panel S PBR/L and your Mira becomes the unmistakable Mira Carré.

**Different armpart panels:**

The armpart panels are available in different looks:

**Mira:**

S PAR/L - armpart panel right/left smooth, leather or fabric cover - **please indicate when ordering**

**Mira carré:**

S PBR/L - armpart panel right/left with embossed rhombic pattern, leather cover - **please indicate when ordering**

**Back sides of sofas:**

All pieces are genuinely upholstered at the back.

**Seam appearance:**

Decorative, felled or double seams may appear different in fabric and leather versions. For manufacturing reasons, seams may be left out of the fabric version or replaced with simple seams.

**Contrasting thread:**

In some leather colours, this model can be supplied with a contrasting coloured thread, at no surcharge. Please always specify the contrasting thread

number or tonal colours will be supplied.

**All of the dimensions given are approximate dimensions in cm. We reserve the right to make changes. Dimensions are given as follows: width/depth/height/seat height.**

**Seat cushion only fixed rear:**

Thus the seat cushions are fixed rear only and can be lifted at the front, measures like seat depth may vary. Please note.

**Model-specific qualities:**

The upholstery of this model has intentionally been made loosely to create a certain visual effect. This is not a quality defect but a model-specific characteristic that guarantees optimum seat comfort.

**Please note:**

**Special designs may be made on some elements in return for an extra charge. Please consult us. We are happy to make your dreams come true.**

**Order checklist**

- Structure and cover
- Side board smooth or with deep-drawn rhombic design
- Flame retardant version (surcharge)
- Flexible plug-in headrest
- Leg design
- Contrasting thread
- Ottomans
- Pillows

## Frame Structure

2. **Seat suspension** with permanently elastic wave springs
3. **Seat upholstery structure** – coil spring core incorporated into ergo-PUR foam with diolen cover, seat cushion can be lifted - rear fixed
4. **Back suspension** with hardfibre-board
5. **Back upholstery structure** of ergo-PUR-foam with diolen cover

The design of the cross section shown here does not correspond to the model on this page of the catalogue.

### Upholstered furniture made with passion.

Your model is the product of German design and engineering. The family-owned company W.SCHILLIG has more than 70 years' experience of technical skill, trend-setting ideas, attractive design and know-how from Germany. The result is upholstered furniture that guarantees first class comfort and attention to detail. We keep sustainability and protection of resources in mind when choosing the materials we use.

The RAL quality mark for furniture stands for the certain knowledge that this is a non-hazardous piece of furniture of reliably high quality and with an attractive design. The Deutsche Gütegemeinschaft Möbel makes sure of this with numerous tests. Inspections also safeguard the testing system.

The highest European accolade for systematic, in-house, environmental management. Improvement of environmental protection services.

## Legs

metal leg, diff. metal col.

F J3

metal leg, diff. metal col.

F S1

hair pin leg black powder-coated

F 63

### Metal colours:

Some of the metal legs are available in different metal colours. Please indicate the colour when ordering.

**The metal pin leg F 63 is available in metal colour black powder-coated M99, only. You cannot choose from different colours.**

### Powder coated:

The colours silver M21 and black M99 are powder coated.

### Legs and floor protection:

In case of very slender furniture legs with deliberately filigree shapes and with small surfaces, it comes to a raised pressure on the floor. We recommend felt pads or another suitable mat as protection for scratches and pressure points in connection with sensitive and/or soft floors. Even if you barely move the furniture, it can be helpful to have a carpeted floor.
