

[cubique]

Straight elegance.[cubique] offers a very extensive type plan, which allows the most diverse combinations for every space requirement. The unmistakable lounge furniture is provided with a tuck on the outer edges, which attracts the eye elegantly and supports the design.

**Simply nice**

The discreetly used, striking tuck at the outside edges of the upholstery provides a unique look.

**"Flame retardant"**

Optionally, the "flame-retardant" version of this model can be ordered (art. no. = BK ..). Please specify when ordering.

## Order information

**Back sides of sofas:**

All pieces are genuinely upholstered at the back.

**Positioning diagram:**

Please send us a positioning diagram, depending on the many different variations available.

**Connecting sides:**

For a surcharge, the connecting sides can be supplied in the original cover instead of stretch fabric.

**Seam appearance:**

Decorative, felled or double seams may appear different in fabric and leather versions. For manufacturing reasons, seams may be left out of the fabric version or replaced with simple seams.

**Two-piece sofas:**

The sofas N120 and N120R/L consist of 2 parts (M120R and M120L) that are connected to element connectors.

**All of the dimensions given are approximate dimensions in cm. We reserve the right to make changes. Dimensions are given as follows:**  
width/depth/height/seat height.

Seat depth: approx. **66 cm**

Seat depth one arm chaise: approx. **127 cm**

**Model-specific qualities:**

The upholstery of this model has intentionally been

made loosely to create a certain visual effect. This is not a quality defect but a model-specific characteristic that guarantees optimum seat comfort.

**Please note:**

**Special designs may be made on some elements in return for an extra charge. Please consult us. We are happy to make your dreams come true.**

### Upholstered furniture made with passion.

Your model is the product of German design and engineering. The family-owned company W.SCHILLIG has more than 70 years' experience of technical skill, trend-setting ideas, attractive design and know-how from Germany. The result is upholstered furniture that guarantees first class comfort and attention to detail. We keep sustainability and protection of resources in mind when choosing the materials we use.

The RAL quality mark for furniture stands for the certain knowledge that this is a non-hazardous piece of furniture of reliably high quality and with an attractive design. The Deutsche Gütegemeinschaft Möbel makes sure of this with numerous tests. Inspections also safeguard the testing system.

The highest European accolade for systematic, in-house, environmental management. Improvement of environmental protection services.
