All specified dimensions are approximate in width/depth/height/seat height. We would like to point out that deviations of +/- 2 cm may occur depending on the filling material used and its upholstery.
Please contact us if you would like more detailed information. We reserve the right to make technical changes.

“Flame retardant”

Optionally, the “flame-retardant” version of this model can be ordered (art. no. = BK ..). **Please specify when ordering.**

**Flexible headrest**

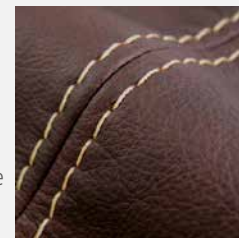

Every chaise is equipped with a flexible headrest with notch function in standard.

**Simply nice**

The discreetly used, striking tuck at the outside edges of the upholstery provides a unique look.

**Contrasting thread**

In some leather colours this model can be supplied with a contrasting-coloured thread, at no surcharge.

Order information

Seam appearance:

Decorative, felled or double seams may appear different in fabric and leather versions. For manufacturing reasons, seams may be left out of the fabric version or replaced with simple seams.

Contrasting thread:

In some leather colours, this model can be supplied with a contrasting coloured thread, at no surcharge. Please always specify the contrasting thread number or tonal colours will be supplied.

Load-bearing capacity:

This chaise is **not** for using from more than one person. A maximum load-bearing capacity up to 120 kg is guaranteed.

All of the dimensions given are approximate dimensions in cm. We reserve the right to make changes. Dimensions are given as follows:

width/depth/height/seat height.

Model-specific qualities:

The upholstery of this model has intentionally been made loosely to create a certain visual effect. This is not a quality defect but a model-specific characteristic that guarantees optimum seat comfort.

Swinging function:

Please note, don't swing extremely. The chaise could

fall over!

Please note:

Special designs may be made on some elements in return for an extra charge. Please consult us. We are happy to make your dreams come true.
