The inviting, cubic **monsieur** 40513 armchair can be perfectly combined with other models. The club chair itself shines with fine details such as a stylish outer pocket on the right-hand armpart for the obligatory printed daily newspaper and its base, which is available as a decorative swivel base or with metal legs - optionally in different metal colours. ### Simply beautiful

The armchair can be ordered with the metal swivel base in shiny or matt chrome look.

### Smart detail

Every armchair is equipped with a practical pocket at the outer left armrest (standing in front).

### „Flame retardant“

Optionally, the „flame-retardant“ version of this model can be ordered (art. no. = BK ..). **Please specify when ordering.**

### Elegant metal leg's

The ME armchair can be fitted with FS1 metal legs in various metal colours or F70 in black.

### Contrasting thread

In some leather and fabric colours this model can be supplied with a contrasting-coloured thread, at no surcharge.

## ORDER INFORMATION

### Seam appearance:

Decorative, felled or double seams may appear different in fabric and leather versions. For manufacturing reasons, seams may be left out of the fabric version or replaced with simple seams.

### Back sides of sofas:

All pieces are genuinely upholstered at the

back.

### Contrasting thread:

This model is available in leather and some fabric colours with contrasting colour thread at no extra charge. You will find the specified colours in our fabric/leather trolley. Please state the no., otherwise tone-in-tone will be delivered.

**All of the dimensions given are approxima-**

**te dimensions in cm in width/depth/height/seat height. We reserve the right to make changes.**

Seat depth: approx. **58 cm**

### Note on upholstery construction:

Ticking cushions have been used in the seat and back. This can lead to the marking of individual chambers and is a typical feature of

the product.

### Model-related feature:

The upholstery is deliberately processed casually to create a certain visual appearance. Waving is not a quality defect, but a model-related feature that ensures optimum seating comfort.

**Please note:**

**Special designs may be made on some elements in return for an extra charge. Please consult us. We are happy to make your dreams come true.**

### Digital fabric/leather and colour samples:

The visual appearance of the covers and colour samples may vary, samples in accordance - colour and structure deviations possible.

Legs and floor protection:

With slim furniture legs with a small gliding surface, there is increased pressure on the floor. We recommend fitting glides or an

underlay to protect against scratches and pressure marks on sensitive floors.

Metal colours:

The FS1 metal leg is available in various metal

colours. Please specify the desired colour when ordering.

Powder coated:

The colours silver M21 and black M99 are

powder coated.
