

[square]

The audience gives a standing ovation when they are not sitting on [square]. This comfortable auditorium chair captivates everyone. Whether lined up endlessly or as a seating island in waiting areas. Imagination knows no bounds here.

Design: W.Schillig

## Armchairs

M E

individual armchair

**65/82/82/45**

fire protection = **BK10**  
(surcharge)

**Elegant  
armpart  
frame**

The armpart frame can be ordered in high-gloss chrome, silver or black. Please indicate the desired metal colour when ordering.

**Contrasting  
thread**

In some leather colours this model can be supplied with contrasting-colour thread, at no surcharge. Then the stitched back cushions are produced in a standard coloured thread - not with a contrasting coloured thread.

**"Flame  
retardant"**

Optionally, the "flame-retardant" version of this model can be ordered (art. no. = BK ..). Please specify when ordering.

**Order information****Seam appearance:**

Decorative, felled or double seams may appear different in fabric and leather versions. For manufacturing reasons, seams may be left out of the fabric version or replaced with simple seams.

**Contrasting thread:**

In some leather colours, this model can be supplied with a contrasting coloured thread, at no surcharge. Please always specify the contrasting thread number or tonal colours will be supplied.

**All of the dimensions given are approximate dimensions in cm. We reserve the right to make changes. Dimensions are given as follows: width/depth/height/seat height.**

Seat depth: ca. **53 cm**

**Crease formation:**

Fabric and leather stretch to a lesser or larger extent under the influence of body weight, which can lead to the formation of creases in the cover. This visual change does not affect use, function and life span and it is not a defect.

**Order checklist**

- Cover
- Flame retardant version (surcharge)
- Metal colour for frame
- Contrasting thread

## Upholstered furniture frame structure

1. **Frame** – Beech wood structure
2. **Seat suspension** with permanently elastic wave springs

4. **Back suspension** due to upholstery strap
5. **Back upholstery structure** of **ergo**-PUR-foam with diolen cover

### Upholstered furniture made with passion.

Your model is the product of German design and engineering. The family-owned company W.SCHILLIG has more than 70 years' experience of technical skill, trend-setting ideas, attractive design and know-how from Germany. The result is upholstered furniture that guarantees first class comfort and attention to detail. We keep sustainability and protection of resources in mind when choosing the materials we use.

The RAL quality mark for furniture stands for the certain knowledge that this is a non-hazardous piece of furniture of reliably high quality and with an attractive design. The Deutsche Gütegemeinschaft Möbel makes sure of this with numerous tests. Inspections also safeguard the testing system.

The highest European accolade for systematic, in-house, environmental management. Improvement of environmental protection services.
