

gentleman modern 40560

[gentleman modern]

Here, the classic wing chair has been very beautifully revamped and transformed into a genuine designer piece. Yet it does not come across as cold, clean or pretentious. Its sophisticated back look lends it character - and with its noble legs, it stands firmly on the ground.

Order information

Combined covers:

This model can also be supplied in a combination of different cover qualities and colours. See price list.

Armchair:

1. Reference specification = outside (carcass) back/side part outside
2. Reference = inside/cushion (seat cushion and front panel)

Ottoman:

1. Reference specification = outside (front panel outside)
2. Reference = inside/cushion (seat cushion)

Seam appearance:

Decorative, felled or double seams may appear different in fabric and leather versions. For manufacturing reasons, seams may be left out of the fabric version or replaced with simple seams.

Contrasting thread:

In some leather colours, this model can be supplied with a contrasting coloured thread, at no surcharge. Please always specify the contrasting thread number or tonal colours will be supplied.

All of the dimensions given are approximate dimensions in cm. We reserve the right to make changes. Dimensions are given as follows:

width/depth/height/seat height.

Seat depth: ca. **56 cm**

Armpart width: approx. **17 cm**

Armpart height: approx. **63 cm**

Model-specific qualities:

The upholstery of this model has intentionally been made loosely to create a certain visual effect. This is not a quality defect but a model-specific characteristic that guarantees optimum seat comfort.

Please note:

Special designs may be made on some elements in return for an extra charge. Please consult us. We are happy to make your dreams come true.

Upholstered furniture made with passion.

Your model is the product of German design and engineering. The family-owned company W.SCHILLIG has more than 70 years' experience of technical skill, trend-setting ideas, attractive design and know-how from Germany. The result is upholstered furniture that guarantees first class comfort and attention to detail. We keep sustainability and protection of resources in mind when choosing the materials we use.

The RAL quality mark for furniture stands for the certain knowledge that this is a non-hazardous piece of furniture of reliably high quality and with an attractive design. The Deutsche Gütegemeinschaft Möbel makes sure of this with numerous tests. Inspections also safeguard the testing system.

The highest European accolade for systematic, in-house, environmental management. Improvement of environmental protection services.
